

C-Card Max Local

C-Card per **plotter** cartografici compatibili con tecnologia Max. Zona di copertura "Local" a scelta del cliente.

Negli ultimi 25 anni più di un milione di navigatori in tutto il mondo si sono affidati alle carte elettroniche **C-MAP**. Le carte vettoriali **C-MAP** forniscono dettagli di navigazione senza pari e sono compatibili con i chart **plotter** delle principali marche. Le funzioni di navigazione esclusive ed i dati con valore aggiunto rendono le soluzioni **C-MAP** impareggiabili.

Prerogative

- Dynamic NavAids - info dettagliate e complete sull'aiuto alla navigazione.
- **Guardian** Alarm - questa funzione scandaglia l'area sottostante la tua imbarcazione verificando la presenza di ostacoli, individuando un potenziale pericolo lungo la rotta.
- Route-Check - un'integrazione della funzione **Guardian** alarm che aumenta la sicurezza indicando eventuali ostacoli lungo la rotta programmata.
